

## Adjectives

An Adjective qualifies a noun, for example, clean, clear, wonderful, great, etc.

### **Basic Adjective Form:**

A “Basic Adjective Form” qualifies a noun and helps us understand its qualities. For example, good, bad, high, low, beautiful, flexible, etc.

### **Comparative Adjective Form:**

A “Comparative Adjective Form” qualifies but also gives a comparison between two people, groups, cities, etc., for example, better, worse, higher, lower, more beautiful, more flexible, etc.

### **Superlative Adjective Form:**

A “Superlative Adjective Form” has no comparison and shows that the qualified noun has no comparison, for example, the best, the worst, the highest, the lowest, the most beautiful, the most flexible, etc.

Basic	Comparative	Superlative
fast	faster	the fastest
slow	slower	the slowest
brave	braver	the bravest
delightful	more delightful	the most delightful
